***Celebrating Five Years of Growing Food, Friendships and
Community***

The weather was kind to us, the fire was warm, the food was good, and there were plenty of drinks. Over 60 members and guests including members of other local community groups and businesses appropriately celebrated the fifth birthday of the garden opening.

The Mayor, Cr Margot Smith and Cr Libby Coker, who as Mayor in 2010 opened the garden, unveiled the plaque to mark the occasion. Cr Smith said “Council prizes the role of community gardens in their role in bringing people together as well as producing more food locally”.

The celebration was a true reflection of what makes the garden great – the teams made it a success. The garden team made sure the garden was looking fabulous, the social events team organized the delicious food, the building and maintenance team, installed the plaque and gave us heat, light and shelter and the members made guests feel welcome.

Anglesea Community Garden gave us a new watering can and Bendigo Bank has promised us a \$500 birthday present.

Thanks to the Surf Coast Shire for sponsoring the catering and plaque.

The event was full of conversation and laughter.

It may have been almost winter, but the garden was lovely. Many thanks to everyone for helping to make the event such a success.

May Working Bees

The two May working bees were well supported and very productive and resulted in a lovely garden ready for the party. Plus all the usual jobs! There should be some produce to share at the next bee.

At morning tea we discussed the possibility of a chook run and also sharing food with the greater community. What do you think?

Remember if you can't come to a working bee but want to contribute, there is a list of jobs on the whiteboard.

Recycle Shop at the Anglesea Tip.

Last financial year we raised \$450 from just two Saturday shifts. Good money for not much work – in fact it's quite fun.

Our next date for the tip shop is July 4th. Volunteers are needed from 10am to 12 pm then 12 until 2pm. Three volunteers each time slot, If you want to help or need more information contact Daryl by email daryl.love@bigpond.com or phone 52896239.
